WHY CHOOSE AN EXPERT PLUS WATER HEATER?

The choice of Experts!

Expert Plus water heaters are **high-performance** models made with **superior quality** parts to ensure better **durability** than traditional models.

These **high-end** products are designed to meet **professional** needs and are **only** available through **certified contractors** and qualified plumbing experts!

They offer several features that set them apart from traditional retail models, including :

- ✓ **Double coating** of blue cobalt **glass** enriched with zircon,
- ✓ Medium density **screw-in immersion elements**,
- ✓ **Brass drain** valve,
- ✓ And much more!

These features provide the **best protection against corrosion for many years!**

**Proudly
Canadian**
